POLISH AMERICAN CONGRESS
ILLINOIS DIVISION ELECTIONS – 2009

A CANDIDATE WITH A MISSION

As we are about to set a new course for the Polish American Congress by electing a new President for the Illinois Division, we must have a vision to restore the faith and confidence of Polonia, so that the Congress will become once again an institution where Polish-Americans can turn to for guidance and assistance. And above all, we must unite and mobilize Polonia of all ages to pursue the "American Dream" by exercising their constitutional rights to improve our political, social, and economic status in the United States. We must not fear to project strongly and visibly, what our aspirations and ambitious goals are at every level of the local, state and Federal Government.
