Polish American Congress Illinois Division c/o Mr. Chris Kurczaba; Committee Chairman and members of the Nominating Committee

Dear Mr. Kurczaba, Nominating Committee Chairman, members of the Committee and all member and delegates of the Division

Mr. Chairman, it came to our attention that the nomination of Mr. Casey Chlebek for the position of the President of the Polish American Congress of the Illinois Division may be removed from the Election Ballot due to unspecified allegations of fraudulent financial practices during his term. Such allegations are totally unfounded and without cause and Mr. Chlebek should remain on the 2011 Election Ballot as a viable candidate for the President of the Division.

The annual audit clearly revealed, that during Mr. Chlebek's term the financial statements balanced to the last penny with the expenses of the Division incurred during his term. We find it unconscionable even to suggest that there was any trace or evidence to show that fraudulent financial reporting took place during the term of Mr. Chlebek. Clearly, there was none, and that is despite of the fact that the QuickBooks accounting system was not followed by the Treasurer, Mr. Marek Zelek.

During the course of examination of the QuickBooks accounting data supplied to the Committee, it was immediately discovered that the QuickBooks did not correspond to the Liberty Bank checking account statements. Mutually, the Audit Committee decided not to report it, because audit procedures did not rely solely on the QuickBooks, and the Committee's job was to audit the finances of Mr. Chlebek's administration only, not of any of the previous administrations. For your reference you can find a copy of the original annual audit report on the website: www.caseyforcongress.com under the left margin title - Annual Audit Report.

Because of the persisting and unending controversy, we believe that it is appropriate to initiate immediately a complete and independent audit of all existing Division books to determine the exact nature and source of the discrepancies.

Respectfully,

Gregory Akko
Member of the Audit Committee
Chairman of NECPAC

Kazimierz Casey Chlebek
Nominee for the President PAC-IL
Chairman of Friends of the Polish
American Congress PAC

CC: President PAC National, Frank Spula
President PAC-IL, Mary Anselmo
